COMMITTEE ON SOCIAL INCLUSION AND PARTICIPATIVE DEMOCRACY

Call for innovative policies

CIRCULAR 33

Dear members,

The UCLG Committee on Social Inclusion and Participative Democracy is conducting research on innovative social inclusion policies with the aim of augmenting the range of resources available on the website of the Social Inclusion Observatory at: www.cities-localgovernments.org/CISDP.

With this tool, the Committee hopes to give visibility to successful initiatives on social inclusion and to collectivize the expertise gained from them in order to promote the most interesting policies for their reproduction by other local governments.

We strongly encourage you to help us in enlarging the resources of the Observatory by presenting the most interesting policies promoted in your city. In order to contribute, please find enclosed an information sheet that we invite you to fill out and return to us before **April 9, 2010**.

Should you require any further information, please, do not hesitate to contact us by email cisdp@cities-localgovernments.org or telephone +34 93 342 87 70.

Best regards,

The World Secretariat
on behalf of the Committee on Social Inclusion and Participative Democracy of UCLG
