

April 2010

The REGISTRATION TO the FPLA of GETAFE, 10-12 June 2010, IS OPEN

After several months of gathering the different contributions to prepare the 2nd Forum of Peripheral Local Authorities, we inform you that the registration is open on the Web page of the event: <http://falp.getafe.es>

You can also see the program, send a contribution, find information on the host city.

Many local authorities in the world are announcing their participation.

The final program is almost finished. Each session will be a space of dialog on challenges we are facing, of exchange of experiences, of visibility of our practices and our contributions for cohesive, sustainable and democratic metropolises.

Through the UCLG committee "Peripheral cities" we will bring the results issued from the 2nd FPLA to the world summit of Local and Regional Leaders (November 16 - 20 - Mexico City - congress of UCLG).

We invite you to register as soon as possible in order to help our friends in GETAFE to organise in the best way our participation.
